

# RESKILL

*News of the RESKILL european project*

## BUCHAREST

*October started particularly well for the RESKILL project: the partners met for the third time in Bucharest, Romania. They went over the project management, the multiplier events and the very busy calendar !*

## REMINDER

*Success in the world of work requires a constant reinforcement of one's skills. After a thorough analysis of the students' and job seekers' various needs, RESKILL has for objective to stimulate and to optimize trainings in the agri-food sector.*

## WHAT'S NEXT?

*RESKILL has launched its website (<https://reskill-info.eu/>), and its e-learning platform (<http://elearning-reskill.eu/>), go check them out ! The project also offers access to a Matching platform, to develop the connection between jobseekers and entrepreneurs. Many events are coming soon, stay in touch!*
